

With the increasing number of Covid-19 cases globally, more businesses are now working remotely and collaborative work online has become more important than ever in keeping employees engaged and productive, irrespective of their location. Small businesses will need to become even more innovative in this critical times to stay ahead of the competition.

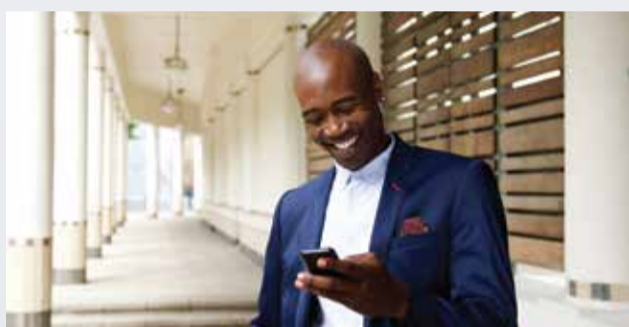

To ease issues with collaboration, MainOne is recommending our Microsoft Teams Solution, powered by the innovation and robustness of Microsoft, USA. Users all over the world are using Microsoft Teams to communicate with their colleagues, with almost 50 million users worldwide. There has been an almost 50% increase in the uptake of Microsoft Teams in the last two weeks, further buttressing the functionality of the solution.

Microsoft Teams

Work remotely without feeling remote.

Invite everyone you work with to chat, meet, call, and collaborate all in one place, no matter where you are.

Chat from anywhere

Share your opinion, and your personality. Send gifs, stickers, and emojis in a group chat or in one-to-one

Meet from anywhere

Instantly go from group chat to video conference with the touch of a button. Teams of 10 or 10,000 can meet in one place, no matter how many places they're in.

Call from anywhere

Never yell 'who just joined?!' ever again. Use Teams calling, Phone System, Calling Plan 1, or Direct Routing to take the stress out of conference calls.

Collaborate from anywhere

Never do that frantic, searching-for-files thing ever again. In Teams you can access, share and edit Word docs, PowerPoint, and Excel files in real time.

MainOne is continually invested in Small Businesses in Nigeria; we are therefore offering Microsoft Teams to existing customers for a 14-day period, absolutely free. After the trial period, the cost is just N1,860 per user, every month.

Our support team is on standby for help with onboarding and support, again, at no charge.
